

Deep In The Valley / Hollywood (Outro)

Sebastian Mikael

Deep in the valley, down in the bay
Lies a pretty, little sugar baby doing her thing with her daddy
Deep in the valley, down in the bay
She's way too good at switching her role like a script to a show
In that, that she'll have you under her word

No-oh-oh-oh-oh
That cape, leaving in my face
I can pull you down to Hollywood (ooh, Hollywood)
I can pull you down, we'll go with that cape
Pouring in my face, pouring in my face
I can pull you down to Hollywood (Hollywood, wow)
Oh-oh-oh-oh-oh
Praise the Lord, baby

When I was lost, when I was stranded, mmm
When I thought love would solve everything but it wasn't enough
I knew I was wrong, yeah, I needed you
Back then, back then
But now I gotta wonder why you dipped off
I'm sorry, baby
A real one
You know I'm [?]
You fake like that ass you paid for
And then I came to smack that ass 'cause of that fake shit
Fake like those friends you care for
I don't even wanna touch what, what don't jiggle the right way
It's like Jell-O
Fake like that love you gave up
Fake like your hair
With the, what you say now?
She's fake, Hollywood
Oh, you came here on your good hair day? (Yeah)
I don't think so
Look at your.. look at your pants
She's fake
She doing alright 'cause I see her boo'd up with all that [?]
Holla at your boy!
Not with that face, shit, though, you feel me? (Yes)
[?], fake
No-oh-oh-oh-oh
Fake!
[?], fake!
No-oh-oh-oh-oh...

She's fake, Hollywood

Fake, fake...
