

# NOTHING COMPARES

Sebastian Mikael

Even if the girls with the pearls in the world came through for your  
boy I'd still want you  
I see it all the time everybody wants a prince of the pie why not any  
thing to get my mind off you  
Nothing compares to having you  
Nothing compares to having you  
Nothing compares to having you

All night long hold you in my arms got me in a zone  
(Nothing compares to having you)  
Sing my song cus it's been way too long  
And I can't wait that long  
(Nothing compares to having you)

Even if the girls with the pearls in the world came through for your  
boy I'd still want you  
(Nothing compares to having you)  
I see it all the time everybody wants a prince of the pie why not any  
thing to get my mind off you  
(Nothing compares to having you)  
Even if the girls with the pearls in the world came through for your  
boy I'd still want you  
(Nothing compares to having you)  
I see it all the time everybody wants a prince of the pie why not any  
thing to get my mind off you  
(Nothing compares to having you)

My love (my love) you see (you see) they can't compete  
Must be a spell (spell) a charm (charm) you put on me  
And I can't help but (help but) wonder (wonder) have fantasies  
Let me give you a reason (a reason) for seasons (seasons) of loving m  
e (woah)  
Loving don't stop coz baby I'm up (yeah yeah) when I'm with you (ahh)  
Nothing compares, now I just stare, beautiful view (it's a beautiful  
view)  
Feeling like I made it, feeling upgraded coz you're mine  
Now I'm not wasting no more time

(Da da, da da)  
Even if the girls with the pearls in the world came through for you g  
irl I'd still want you  
(Da da, da da)  
(Nothing compares to having you)  
(Da da, da da)  
See it all the time everybody wants a piece of the pie they'll try an  
ything to get my mind off you  
(Da da, da da)  
(Nothing compares to having you)  
(Da da, da da)  
Even if the girls with the pearls in the world came through for you g  
irl I'd still want you  
(Da da, da da)

(Nothing compares to having you)
