Sebastian Mikael

Why you bein' so cold
I'm real, don't need to synthesize
Come when there be no compromise
I hit it [?] get your back in right
I can see it in your eyes
Are you ready, both times
Are you ready to endure
Set it up, yeah

You're just like everyone
You know [?]
Now ain't that right
Now ain't that right
I ain't playin' witchu
Smoke this time, always right
That ain't fair, why am I so wrong?
Why am I so wrong about everything?

You're just like everyone
You know [?]

Why am I so wrong about everything, everything?

While you're all so low (Are you high?)
Don't blow my high, get the fuck from you, bitch
I ain't playin' witchu
Ain't nothin' basic about me

I don't listen to Drake and Jigga

I don't turn up on the weekends
I don't smoke, I just smoke (Yeah)

You're just like everyone
You know [?]
Now ain't that right
Now ain't that right
I ain't playin' witchu
Smoke this time, always right
That ain't fair, why am I so wrong?
Why am I so wrong about everything?

You're just like everyone
You know [?]
Now ain't that right
Now ain't that right
I ain't playin' witchu
Smoke this time, always right
That ain't fair, why am I so wrong?
Why am I so wrong about everything, everything?
