

## Magical Hurricane

Sébastien Tellier

God, you know the human vice  
Kimberly, you're high  
How many laws would you send?  
A magical hurricane?  
Is it a new hell to climb?  
In the jungle, be a man!

And you love the human rise  
Kimberly, you're fine  
How many blows would you send?  
I smoke a rolled hurricane  
Is it a new hell to climb?  
Oh! Kimberly, be a man!

Give me love, someday  
Give me love to go, give me love someday
