

## Belong to

### Secondhand Serenade

Lost your faith tonight  
The future that you promise to yourself does not look bright  
All you've have inside was burning like the sun but now it won't  
ignite

Who does it belong to? If not you  
Who does it belong to? If you've paid your dues  
Oh, you are a stranger with a path to choose  
Who does it belong to?

Long way down to fall  
Time stood completely still, you thought you had it all  
Feeling ten feet tall  
You never saw it coming, your final curtain call, oh

Who does it belong to? If not you  
Who does it belong to? If you've paid your dues  
Oh, you are a stranger with a path to choose  
Who does it belong to?

Don't be afraid of a world you turned away  
On the night of the cold  
You were night but now you're day

Who does it belong to?  
Who does it belong to?  
Who does it belong to? If not you  
Who does it belong to? If you've paid your dues  
Oh, you are a stranger with a path to choose  
Who does it belong to?
