

Don't Look Down

Secondhand Serenade

Blank stares
Looking right through me
I'm right here
Why can't you just see I love you?
Say anything but goodbye
We've climbed up this high

I don't want to lose you, darling
This can't be the end
Hanging by a thread
Right over the edge
Promise me you're gonna hold on
Don't give up on me right now
And please just don't look down

Cold hands
But you won't let me hold them
All our plans
Looks like you forgot them
I'm never giving up
I can't stop
But it seems like you want me to

I don't want to lose you, darling
This can't be the end
Hanging by a thread
Right over the edge
Promise me you're gonna hold on
Don't give up on me right now
And please just don't look down

Say anything but goodbye
We've climbed up this high (don't look down)
Say anything but goodbye
We've climbed up this high

I don't want to lose you, darling
I don't want to lose you, darling (no)

I don't want to lose you, darling (say anything but goodbye)
This can't be the end (we've climbed up this high)
Hanging by a thread
Right over the edge
Promise me you're gonna hold on (say anything but goodbye)
Don't give up on me right now
And please just don't look down
