

Goodbye

Secondhand Serenade

E C# A E H

E cis

It's a shame that it had to be this way

A

It's not enough to say I'm sorry

E H

It's not enough to say I'm sorry

Maybe I'm to blame
Or maybe we're the same
But either way I can't breathe
Either way I can't breathe

A H C#

All I had to say is goodbye

A

Were better off this way

H E H

Were better off this way

I'm alive but I'm losing all my drive
Cause everything we've been through
And everything about you
Seemed to be a lie

A guiltless twisted lie
It made me learn to hate you
Or hate myself for letting it pass by

A H cis

All I had to say is goodbye

A

Were better off this way

H E H

Were better off this way

And every, everything isn't only
What it seemed so hold these
Words that you never told me
It's time to say goodbye
It's time to say goodbye
It's time to say goodbye
Goodbye

Bye

Ako sloha:

Take my hand away
Spell it out
Tell me I was wrong
Tell me I was wrong

Take my hand away
Spell it out
Tell me I was wrong
Tell me I was wrong

Take my hand away
Spell it out
Tell me I was wrong
Tell me I was wrong
