## Secondhand Serenade

I know I'm fine  
But the money makes me handsome  
Walk around, smelling like a come-up in the answer for her  
Problems but I'm not him, I don't mind it though  
You don't like me how you think you do, I like it though  
I know I'm fine  
But the money makes me handsome  
Walk around, smelling like a come-up in the answer for her  
Problems but I'm not him, I don't mind it though

Your tongue just turn into a traveler, you started throwing ass  
You think that I'ma throw some cash on you  
But I'm just clappin' you, I know what's up

The possibility of paper  
Got her tryin' to tell me I should date her  
She just tryin' to play me, I just play it cool then I play her  
Baby hate the game, not the player  
I'm 5'6 but the money make me 6'5  
She said "I love your songs" I told her to list 5
