

# Hear Me Now

## Secondhand Serenade

I left everything behind me  
Searching for the strength I thought I  
Had inside me  
Left you behind  
So lonely  
Praying for the day that you would somehow find me

I was young  
You were wrong  
But I tried  
I was strong  
And the years that I have lost are all I see

All I can say  
Is I am not afraid  
Of the world that I have tried to push away  
I fight everyday  
But I am to blame  
I am not innocent  
But I am not afraid

I lost all faith  
Inside me  
Still I find myself without the will to  
Free me from you  
I'm a slave  
Unhappy  
Wanting oh so much for you to someday  
See me

Tell me how  
I want to  
Say it loud  
I need you  
To be the one who catches all my dreams  
Hear me now  
All I can say  
Is I am not afraid  
Of the world that I have tried to push away  
I fight everyday  
But I am to blame  
I am not innocent  
But I am not afraid  
Anymore

I'm tired of sleeping  
Alone I've been grieving  
The life that I gave up to feel alive  
I want to feel alive

I'm not afraid anymore, I'm not afraid anymore

I want to feel alive, I want to feel alive  
I want to feel, I need to feel  
I want to feel alive

Hold on tight

Let's make this right  
Take me, make me  
Feel alive tonight
