

Reach for the Sky

Secondhand Serenade

Watch you waste away
You were born to shine but left behind
Slowly fade to grey
Yet, you say you are fine but I fear you are blind.

How could you believe that you done wrong
You don't believe in yourself

So reach for the sky,
I would pick you up if I could
Open your eyes,
I would pick you up if I could

Listen to the sound
Of your days passing by while you live a lie
Why'd you turn around,
Why'd you say goodbye, was there no reply?

How could you believe that your not strong
You don't believe anything

So reach for the sky,
I would pick you up if I could
Open your eyes,
I would pick you up if I could

And then I saw your face, you're left alone
But you're not alone, you're not alone, you're not alone... ...

Reach for the sky
I would pick you up if I could,
Open your eyes, I would pick you up If I could
You're not alone,
You're not alone,
You're not alone,
You're not alone,
You're not alone....
