Secret Machines

Up and down again and again,
Once on top and once underneath,
Back and forth again and again,
Crisscross, once easy, once hard.
Up and down again and again,
Once on top and once underneath.

Up and down again and again,
Once on top and once underneath,
Back and forth again and again,
Crisscross, once easy, once hard.
Up and down again and again,
Once on top and once underneath.

Back and forth again and again,
Crisscross, once easy, once hard.
Up and down again and again,
Once on top and once underneath.
