

# All I Wanna Do

Secret Service

All I wanna do is be with you

I am looking for diamond rings  
On fancy at all  
I'm happy with little things  
As long as I can call

And talk to you  
I like with you  
Those days when I'm away  
I want to hear  
Your voice of clear

I wait for you to say

All I wanna do is be with you  
(All I wanna do)  
All I wanna do is be with you

When you tell me I must be mad  
Because I shout and sing  
It's because I'm with you, I'm glad  
Feeling's like a king

To walk with you  
To talk with you  
To sleep with you at night  
And when I feel  
That you are real  
Everything is right

Cause all I wanna do is be with you  
(All I wanna do)  
All I wanna do is be with you.
