

Jupiter Sign

Secret Service

Cofee bar closed by old maid
Only verse/worse tryin' to get your attention
Spinning the your not so light
Jupiter sign

Holding on to where/when you shot
Capricorns are said to bring on adventure
Bodies are haven't decide
Jupiter sign

(Marry will be there)
This not is a Scorpio night
(Waiting for you)
Mysterious but maybe just right

Your astrologer will tell you what is laying in store
She's hiding all the answers for tomorrow
Your astrologer can tell you exactly the score
She can navigate in water
There at brown cello

Stepping out in the lane
A lady in yellow is asking a question
Will you be back here at nine
Jupiter sign

Destiny is trapped in her eyes
Reach of your hand so magic can guide you
Only not fate from be mind
Jupiter sign

(Marry is dancing)
This knot is a Scorpio night
(Destiny low)
Mysterious but maybe just right

Your astrologer will tell you what is laying in store
She's hiding all the answers for tomorrow
Your astrologer can tell you exactly the score
She can navigate in waters
There at brown cello.
