

# My Life for Yours

Secrets of the Moon

When you and I  
When we both fly  
Then the only thing  
Is to give my life for yours  
Then the only thing  
Is to give my life for yours

When my time has come  
My life finally gone  
Then you will see  
What happens with me  
Brotherly  
I give  
My life for yours  
Then you will see  
What happens with me  
Brotherly  
I give  
My life for yours
