

# Falling Out

Secrets

Life's getting away from me  
I'm so confused  
I don't wanna start a trend, but I'm falling apart again  
I'm falling out

Can anyone feel this  
Or is still only me  
It feels like I'm alone right now  
And I can barely breathe

I've fallen down like this  
But never like this before  
It's like my thoughts have wrapped me up  
And tied me to the floor

Falling farther  
And farther away  
I'm at my lowest low  
Where did all my hope go?  
Is this a dead end  
Or the end of the rope  
What I would give  
Just for a sign of hope

I'm falling out  
Can't stand myself right now  
I'm breaking down  
I can't find my way out  
Is it you, is it me  
(Is it you, is it me)  
Is no one else at peace  
I'm falling out  
I'm breaking down

I'm always callin' out mayday  
Whenever I feel this way  
I just can't stop losing grip on my mental state  
Now I'm feelin' that panic  
Another lesson in self decay  
I just need to find my way back to better days

I'm falling out  
Can't stand myself right now  
I'm breaking down  
I can't find my way out  
Is it you, is it me  
(Is it you, is it me)  
Is no one else at peace  
I'm falling out  
I'm breaking down

If this is all that I am  
And all that I'll be  
Why am I even here  
When there is nothing left for me

Is this a dead end

Or the end of the rope  
This is my dead end  
I'm starting to choke

I'm falling out  
Can't stand myself right now  
I'm breaking down  
I can't find my way out  
Is it you, is it me  
(Is it you, is it me)  
Is no one else at peace  
I'm falling out  
I'm breaking down
