

Glory

Secrets

What do you dream of
What do you believe is your destiny
I'll build my story
Cause I want glory

All of my life
I've strived for the top
While others sit back have a laugh and eavesdrop
They all sound the same
They ask if I'm sane
Wondering if maybe all my life is in vain
The higher you climb
The harder the drop
But even when I drop that doesn't mean I just stop

I can't stop
I won't stop
Cause I want

Cause I want glory
This is my, this is my story
Just watch me, come watch me
Fuck what they all say
I'll keep reaching every day
Cause I want glory

So let me tell you
What it's like to be me
But I've gotta warn you
Cause it's not fucking pretty
I grew up, I moved from home to home
Never knew my dad, my mom left me alone
Fuck you
Don't you say I don't deserve this throne

Cause I want glory
This is my, this is my story
Just watch me, come watch me
Fuck what they all say
I'll keep reaching every day
Cause I want glory

Cause I want glory
This is my, this is my story
