

Iron Hearted

Secrets

I've heard it all
Heard it all before
You'll say you're sorry
Then you promise me no more

No more deceit
No more will I cheat
Every time I hear these lines I know I'm
Done believing

I've been getting used to feeling useless
Finding comfort in the abuse I guess
I've been counting to ten while holding my breath
But it never seems work like they said
I guess I'm out of step

Out of sight
Out of mind
Why can't I just leave you behind
Would you even notice if I was gone

Cause you
Don't talk
Don't try
You don't stress
And you don't cry
I don't believe you
You've lied
Many times

So is this done
Have you won
Did I lose
Will I run
Will I be able
To live
On my own
I'm just the

Unfortunate one
You're gonna lose in the long run

I'm not iron hearted
I feel everything in ways uncharted
Always unguarded
Cause I'm not iron hearted

Don't you
Test me I'm on edge and I'm over it
You made your point
You only want me just for the hell of it
Knocked down
You've left in the dust to get up again
I've tried and tried to fall out of love
I guess I'm just the

Unfortunate one

You're gonna lose in the long run
Unfortunate fate
I'm always out of place

I'm not iron hearted
I feel everything in ways uncharted
Always unguarded
Cause I'm not, I'm not iron hearted

Everything's distorted
I can't see a way out of the darkness
I'm just disregarded
Cause I'm not, I'm not iron hearted

Is this where we say goodbye
