

Cruel World

Seeb

Put it down, yeah
Put it down, yeah

This situation's wrong 'cause they wanna fool me
They tell me to go
Go a million miles from you
I gotta learn to learn what is important
There's so many doors
And there's a million things to change

This Russian roulette's getting tired
I say put down the gun, put down the gun, put down your gun
I keep tryna put out this fire
I say put down the gun, put down the gun, put down your gun

You gotta find love, yeah
You gotta find truth, oh yeah
Baby, we've been living in a cruel, cruel world
We're living in a cruel, cruel world
You only need love, yeah
They can't hide the truth, oh yeah
Baby, we've been living in a cruel, cruel world
We're living in a cruel, cruel world, yeah

I'm yours, and there is a million things to love
I'm yours, and there is a million things to love

Nowadays it's gone that used to be golden
I said we are done
By the struggle and conflict
I see with this guitar, it must be important
But what do you want?
Be more loving and understanding

This Russian roulette's getting tired
I say put down the gun, put down the gun, put down your gun
I keep tryna put out this fire
I say put down the gun, put down the gun, put down your gun

You gotta find love, yeah
You gotta find truth, oh yeah
Baby, we've been living in a cruel, cruel world
We're living in a cruel, cruel world
You only need love, yeah
They can't hide the truth, oh yeah
Baby, we've been living in a cruel, cruel world
We're living in a cruel, cruel world, yeah

I'm yours, and there is a million things to love
I'm yours, and there is a million things to love

You gotta find love, yeah
You gotta find truth, oh yeah
Baby, we've been living in a cruel, cruel world
We're living in a cruel, cruel world
You only need love, yeah
They can't hide the truth, oh yeah

Baby, we've been living in a cruel, cruel world
We're living in a cruel, cruel world, yeah

Yeah, Ohh world
Put it down, yeah
Put it down, yeah
