

Don't Know Why

Seeb

Why (I)

I woke up in my old bed, far away from where we live
We had a heart set on a good day
How the hell it get like this?
Now I'm with my fam, their familiar faces
So why does it feel like a stranger's in my head
I don't know how that happened, no

See momma said that "You win some, you lose some, but damn son
Why did you have to lose this one, call back"
Nah, ma, she don't want that, she don't want that

Don't know why, it's easy for you to say goodbye
And I don't know why, it kills me but you made it out alive
And it's not fair for you to tell me, I will be alright
I don't know why, why

Can you tell me why?
Can you tell me why?
Can you tell me why?
Can you tell me why?
Why?

Four shots on a Tuesday, new people, no new friends
Got my whole life in my suitcase
But I wear the same old jeans, that you liked me in
I'm flipping through pictures, I'm scrolling through pages
And all that I see is your face
And I don't know why, I don't know why

See momma said that "You win some, you lose some, but damn son
Why did you have to lose this one, call back"
Nah, ma, she don't want that, she don't want that

Don't know why, it's easy for you to say goodbye
And I don't know why, it kills me but you made it out alive
And it's not fair for you to tell me, I will be alright
Oh why, why?

Can you tell me why?
Can you tell me why?
Can you tell me why?
Can you tell me why?
Why?

You say we held on for way, way too long
I think we gave up too soon, am I wrong?
Are we a memory that's fading in time?
I don't know why, why

Can you tell me why?
Can you tell me why?
Can you tell me why?
Can you tell me why?
Why?
