See(e)dy Monks,
Ride again,
With a witong,
Whine again
Everybody go
Hype again
You better run to sing again

Wir reiten weiter denn Monks sehn sich um, Knn das Leid erkennen,
Babylon brauch' Sound, der Sount wre tighter,
wenn wir weiterhin trocken abrocken und locker weiterrennen,
whrend sich Gelehrte am Hype verbrennen, denn Robert, hol
die BammBamm, der Orden wr soweit weit, step in deinen Dancesaal,
Boogie true the night night, Typen tanzen TaiPai und Chicks im
heien Kleid, geil, und wieder bringt Berlin die Lieder dann, wenn ihr
bereit seid,
