

## Diseased

Seether

Leave your mark under my skin  
Oh my how strong you are  
And feast your eyes on my disdain  
And hope this one won't scar

I will never belong to you, again  
I will never belong to you,  
Push if you still need my pain  
Cause I will never tell  
So scream if you still hate my name  
Cause I'll be where I fell

Come sit close to me,  
Let me feel your neck  
Come sit close to me  
Hands around my neck  
Come sit close to me,  
Let me feel your neck  
Come sit close to me, close to me, yeah

I will never belong to you, again  
I will never belong to you

If I decide that I am alive  
Than I'm diseased and ungrateful  
And if I confide that I am a liar  
Than I am alive and I'm diseased and ungrateful  
Push in 'til it breaks, if it bleeds then I'll be okay

If I decide that I am alive  
Than I'm diseased and ungrateful  
And if I confide that I am a liar  
Than I am alive and I'm diseased and ungrateful  
If I decide that I am alive  
Than I'm diseased and ungrateful  
If I confide that I am a liar  
Than I am alive and I'm diseased and ungrateful

Come sit close to me  
Come sit close to me  
Come sit close to me  
Come sit close to me
