

# Hang On

Seether

Well now I found myself  
Wish I was someone else  
My heart are stained with love  
Wish I could take it away  
I hid behind the shell  
In time the pain will melt  
My heart are stained with love  
Wish I could fake it

I gave my life away  
There's nothing left to say  
I gave my life away  
You take it in your way

You take it in your way

My selfish enemy  
Still has the best of me  
Empty and feeling numb  
Wish I could take it away  
I can't control the need  
To weak to not concede  
Wish I was deaf and dumb  
Wish I could fake it

I gave my life away  
There's nothing left to say  
I gave my life away  
You take it in your way

I gave my life away  
There's nothing left to say  
I gave my life away  
You take it in your way

I can't pretend we're the same  
I can't pretend we're the same  
I can't pretend we're the same

Oh now I found myself  
Wish I was someone else  
My heart are stained with love  
Wish I could FAKE

I gave my life away  
There's nothing left to say  
I gave my life away  
You take it in your way

I gave my life away  
There's nothing left to say  
I gave my life away  
You take it in your way

You take it in your way (4x)
