

## Sympathetic

Seether

And my words will be here when I'm gone  
As I'm fading away against the wind  
And the words you left me linger on  
As I'm failing again now, never to change this

And I'm sympathetic,  
never letting on I feel the way I do  
As I'm falling apart again at the seam

And it seems I'm alone here, hollow again  
As I'm flailing again against the wind  
And the scars I am left with swallow again  
As I'm failing again now, never to change this

And I'm sympathetic,  
never letting on I feel the way I do  
As I'm falling apart again at the seam  
And I'm sympathetic,  
never letting on I feel the way I do  
As I'm falling apart again at the seam

The same old feelings are taking over  
and I can't seem to make them go away  
And I can't take all the pressure sober,  
but I can't seem to make it go away  
The same old feelings are taking over  
and I can't seem to make them go away  
And I can't take all the pressure sober  
(I can't make it go away. I can't make it go away)

And I'm sympathetic,  
never letting on I feel the way I do  
As I'm falling apart again at the seam  
And I'm sympathetic,  
never letting on I feel the way I do  
As I'm falling apart again at the seam  
And I'm falling, falling, falling,  
falling, falling, falling, falling  
Apart again at the seam.
