Tonight

Seether

I'm not gonna waste this This opportunity's mine I'm sick of complaining About a beautiful life

How did we get here? Did we forget all the things inside? And how do we stay here? Do we embrace all the things denied?

I feel so alive tonight
You got me feeling sublime
I want to yell it from the rooftops down
Until it's over, and we're older

For my entertainment You tell a whimsical lie To keep me complacent You knock me down with a smile

How did we get here? How do we pretend everything's alright? And how do we stay here? Do we erase all the fear inside?

I feel so alive tonight
You got me feeling sublime
I want to yell it from the rooftops down
Until it's over, and we're older

Like sugar and cyanide
These worlds are gonna collide
I want to yell it from the rooftops down
Until it's over, and we're older

So take me, but go slow
Let me hide somewhere I know
And let this seed grow
Until we finally call this home
So take me, but go slow
Let me hide somewhere I know
And let this seed grow
Until we finally call this home

If I was to die tonight Would it tear you apart? Would you yell it from the rooftops down? Until it's over, and you're older

I feel so alive tonight
You've got me feeling sublime
I want to yell it from the rooftops down
Until it's over, and we're older
Like sugar and cyanide
Our worlds are meant to collide
I'm gonna yell it from the rooftops down
Titio for the solder of the solder of the solder
