

2 Strong

Sega Bodega

It feels like something's wrong
It's coming on too strong
You wanna leave but best believe
Out there you won't last

Six times I've tried to tell you twice, pick either one
Sick, tired and dry I see the the time and I don't want to run
It goes on and on and on and you'll see
Relax and trust me when I say I've had enough
We lack a basic understanding of just how to love
It goes on and on and on and you see

Ride it, ride it, ride it, you can feel it in your bones
You believe and you need it, don't let anybody know
Running, running, running I can feel it in my bones
I believe it, I don't need it, don't let anybody know

It feels like something's wrong
It's coming on too strong
You wanna leave but best believe
Out there you won't last long
It feels like something's wrong
It's coming on too strong
You wanna leave but best believe
Out there you won't last long

I've got the holy spirit flow, but is it luci, or the juice?
I'm tired of all this abuse
And it just goes on, and on, and on, you see
It goes on, and on, and on, and on, and on, and on, and on, and
on, and on, and on, and on, and on, and on, you see

Ride it, ride it, ride it, you can feel it in your bones
You believe and you need it, don't let anybody know
Riding, riding, riding, I can feel it in my bones
I believe it, I don't need it, don't let anybody know
Ride it, ride it, ride it, you can feel it in your bones
You believe and you need it, don't let anybody know
Running, running, running, I can feel it in my bones
I believe it, I don't need it, don't let anybody know

Ride, ride, ride, ride, ride, ride, ride, ride
Ride, ride, ride, ride
Sweet, cute
