

# I Love You

Seinabo Sey

I have never loved me like I love you  
I've never seen me like I see you  
I'm never needing myself like I need you  
I never believed like I believe in you

And even if you refuse to be mine, I am yours, yours, yours  
And even if the world makes you blind, I am yours, yours, yours

'Cause if you love somebody, set them free  
So here are your wings, my baby  
I just want you to know if you leave  
That I'm yours, yours, yours  
'Cause if you love somebody, set them free  
So here are your wings, my baby  
I just want you to know if you leave  
That I'm yours, yours, yours

I have never heard me like I hear you  
I have never known me like I know you  
I have never felt myself like I feel you  
I have never believed like I believe in you

And even if you refuse to be mine, I am yours, yours, yours  
And even if the world makes you blind, I am yours, yours, yours

'Cause if you love somebody, set them free  
So here are your wings, my baby  
I just want you to know if you leave  
That I'm yours, yours, yours  
'Cause if you love somebody, set them free  
So here are your wings, my baby  
I just want you to know if you leave  
That I'm yours, yours, yours

So from the bottom of my heart, I trust  
This summer was made for us  
So from the bottom of my heart, I trust  
This summer was made for us  
This summer was made for us

'Cause if you love somebody, set them free  
So here are your wings, my baby  
I just want you to know if you leave  
That I'm yours, yours, yours  
'Cause if you love somebody, set them free  
So here are your wings, my baby  
I just want you to know if you leave  
That I'm yours, yours, yours  
That I'm yours, yours, yours
