

# My Eye

Seinabo Sey

How do I make love rise in your eyes?  
Why can't I make blood flush through your face?  
Oh, and I want nothing but a glimpse of your smile  
When I only wanna touch your skin

My moon  
Has loved me broken, loved me blind  
Loved me 'til there's no more time  
Oh my, oh my, oh my  
My eye, my eye  
My eye, my eye, my eye  
Oh, all I see is you  
My eye, my eye  
My eye, my eye, my eye  
All I see is you  
And I don't cry, don't cry  
Don't cry, don't cry, don't cry  
I'll believe in you  
Again too  
My eye, my eye, my eye  
When I close them, all I see is you

Would you love me when I'm down?  
The glory's not around  
Be my peace of mind  
Baby, when I'm out of town  
When you're not around, mmm  
Yours have beauty unknown  
You came in, now I'm cold  
This is it, you take the throne  
Oh, all I own  
See, my heart has flown to your land  
Flown to your land  
I've seen your phantom too  
My lovers bring  
Lay your head up on my lap, see  
My heart beats for you  
What you gonna do?
