

## Anti-Hero

SEKAI NO OWARI

You know I don't give a damn about what's "right"  
Or pleasing everyone around me  
Cause I know this world that brought us life  
Wasn't made to keep everyone happy  
The rules and laws that countries come up with  
In front of me, they're all shit  
Cause there are people that I've gotta protect  
And if you get in my way, you're dead  
You see I'm tired of trying to justify  
Every decision that I make  
If it's to save the people that I stand by  
You better believe what I say

"Stay in the lines, don't make a scene"  
Heroes try to tell us what's right  
But when push comes to shove  
You'll know what I mean  
I'm ready to start a fight

I'm gonna be the anti-hero  
Feared and hated by everybody  
I'm gonna be the anti-hero  
So I can save you when the time comes  
I'm gonna be the anti-hero  
Feared and hated by everybody  
I'm gonna be the anti-hero  
Yeah

Righteousness is a thing that I hate  
'Cause it doesn't do any good for anyone  
And everyone thinks everything is OK  
If they just obey  
I don't want to think about what they see  
When they look up and see evil me  
You see, love isn't what I need  
As long as I can set you free  
Oh, bum bum bum, watch out here I come  
I said bum bum bum, you all better run  
Oh, bum bum bum, watch out, here I come  
So run!

"Stay in the lines, don't make a scene"  
Heroes try to tell us what's right  
But when push comes to shove  
You'll know what I mean  
I'm ready to start a fight

I'm gonna be the anti-hero  
Feared and hated by everybody  
I'm gonna be the anti-hero  
So I can save you when the time comes  
I'm gonna be the anti-hero  
Feared and hated by everybody  
I'm gonna be the anti-hero  
Yeah

I'm gonna be the anti-hero

Feared and hated by everybody  
I'm gonna be the anti-hero  
So I can save you when the time comes  
I'm gonna be the anti-hero  
Feared and hated by everybody  
I'm gonna be the anti-hero  
Yeah
