

One More Night

SEKAI NO OWARI

I know you'll be on a plane in a little
And you're leaving without me
But don't go away. Don't run away for a little
How do I get you to see?

The truth is that I fell in love with you
And now I don't know what to do
But I'd do anything to steal a little time

I need one more night, I need one more night
Let me change your mind
Give me one more night one more night

I don't know how to say goodbye
It's obvious that I'm pretending to be fine
But you're here now. Now I have to try
To convince you to stay with me here for life

The truth is that I fell in love with you
And now I don't know what to do
But I'd do anything to steal a little time

I need one more night, I need one more night
Let me change your mind
Give me one more night one more night

One more night, I need one more night
I can't say goodbye
Give me one more night one more night

The truth is that I fell in love with you
And now I don't know what to do
But I'd do anything, I'd do anything

I need one more night, I need one more night
Let me change your mind
Give me one more night one more night

One more night, I need one more night
I can't say goodbye
Give me one more night one more night
