

Crying Holy (Klippan)

Selah

You were there before the world began to be
From eternity You called and You fashioned me
You have loved me as the apple of Your eye
You have drawn my fallen heart
You have led me all my life

The angels sing an endless grace and love
With everything that is and ever was

Crying Holy Holy Lord
You're the Savior of the world
We extol You
Bringing glory to You Lord
We'll never stop for You are God
Forevermore

You are merciful and tender to my tears
You have carried all my cares
You have felt all that I feel
So when I fall back into a troubled soul
You remind me who I am
And You come so close

I join the endless song of grace and love
With everything that is and ever was

Crying Holy Holy Lord
You're the Savior of the world
We extol You
Bringing glory to You Lord
We'll never stop for You are God
Forevermore

Every corner of the earth
Hear the song that's ringing out
He is wonderful
And the worship You deserve
Will never stop for You are God
Forevermore

We'll never stop for You are God
Forevermore

Crying Holy Holy Lord
You're the Savior of the world
We extol You
Bringing glory to You Lord
We'll never stop for You are God
Forevermore
We'll never stop for You are God
Forevermore
We'll never stop for You are God
Forevermore

You were there before the world began to be
You are God forevermore
We cry holy, You are holy forevermore
