

## One Name - Ek Naam

**Selah**

Listen all you people  
Jesus is the only Name  
A Name that has no equal  
Oh, Jesus is the Name

There's power in His Mighty Name  
To save and change the world today  
Listen all you people  
Jesus is the only Name

The blind can see the world before them  
Jesus is the only Name  
The lame can walk and carry the story  
Oh, Jesus is the Name  
The mute will sing and shout His praise  
Jesus is the only Name  
The dead rise up, He's conquered the grave  
Oh, Jesus is the Name

One Name  
The Mighty Name  
The Name above all

Listen all you people  
Jesus is the only Name  
A Name that has no equal  
Oh, Jesus is the Name

There's power in His Mighty Name  
To save and change the world today  
Listen all you people  
Jesus is the only Name

The lonely orphan has a Father  
Jesus is the only Name  
The barren woman becomes a mother  
Oh, Jesus is the Name  
The wayward child is running home  
Jesus is the only Name  
The broken heart is beating with hope

One Name  
The Mighty Name  
The Name above all

Listen all you people  
Jesus is the only Name  
A Name that has no equal  
Oh, Jesus is the Name

There's power in His Mighty Name  
To save and change the world today  
Listen all you people  
Jesus is the only Name

He is strength in our weakness  
Jesus is the only Name

No weapon can be formed against us  
Oh, Jesus is the Name  
So let us pray for our enemies  
Jesus is the only Name  
As love and forgiveness sets us free  
Oh, Jesus is the Name

One Name  
The Mighty Name  
The Name above all

Listen all you people  
Jesus is the only Name  
A Name that has no equal  
Oh, Jesus is the Name

There's power in His Mighty Name  
To save and change the world today  
Listen all you people  
Jesus is the only Name
