

## Set Free

Selah

Brothers and sisters  
We're saints and sinners  
Why do we live like enemies?  
Let's leave our anger  
Forgive our debtors  
Live like a people set free

Set free, oh, free, oh  
The "let my people go" kinda set free  
Set free, oh, free, oh  
By the love that came and died  
Rose again, so we could be  
Set free

We know the truth now  
His spirit moves now  
We are no longer slaves to fear, no-oh  
Go serve your neighbor  
Make love your labor  
Listen up my friends, or don't you hear?

Set free, oh, free, oh  
It's the "let my people go" kinda set free  
Set free, oh, free, oh  
By the love that came and died  
Rose again, so we could be  
Set free

They can know us by our love  
When they see our life in Him  
Let them sing, let them see we have been  
Set free, we have been set free  
Set free

Set free, oh, free, oh  
It's the "let my people go" kinda set free  
Set free, oh, free, oh  
By the love that came and died  
Rose again, so we could be  
Set free

Set free  
Set free  
Free  
The Let my people go...  
Set free  
The love that came and died, rose again so we could be  
Set free
