Hit The Lights

Selena Gomez & the Scene

```
           Em
1. It's the boy you never told I like you
            C
   It's the girl you let get away
            G
   It's the one you saw that day on the train
            D
   But you freeked out and walked away
             Em
   It's the plane you wanna catch to Vegas
               C
   Things you swear you'll do before you die
             G
   It's the city of love that waits for you
               D
   But you're too damn scared to fly

           C               G
R: Hit the lights, let the music move you
   D            G      Em
   Lose yourself tonight,
           C               G
   Come alive, Let the moment take you,
   D            G      Em
   Lose control tonight
           C               G
   Hit the lights, let the music move you
   D            G      Em
   Lose yourself tonight,
           C                  G
   Come alive, Let the moment take you,
   D            G      Em
   Lose control tonight

2. It's the time that you totally screwed up
   Still you're trying get it out your brain
   It's the fight you had when you didn't make up
   It's the past that you're dying to change
   It's all the money the you're saving
   While the good life passes by
   It's all the dreams that never came true
   'cause you're too damn scared to try
R: Hit the lights...

           Em                     C
*: It's a mad mad world, gotta make an escape
         G                    D
   It's a perfect world, when you go all the way
           C               G
   Hit the lights, let the music move you
   D             Em     G
   Lose yourself tonight
             C
   So let's go go go go
   G          D
   All the way,
   C                                      G   D
```

```
    Yeah let's go go go, night and day,
    C
    from the floor to the rafters
    G
    People raise your glasses
    D                    Em       D
    We could dance forever

  R: Hit the lights...
```
