1. I Know That My Love
Asm
For You is Real, it's the truth
E
That we do something
B
natural That I feel
Ebm
When you walk in the room
Asm
or your near
E
I feel my heart skip a beat
the whole world disappears
Asm B
Then there's just you and me
C#m
falling head over feet
B F#
lets take a chance together

E
R: I know I know
B
I know I know we're
F#
gonna make it cause no one else can
E
make me feel the
B F#
way that you do I promise you
E
I know I know
B
I know I know we
F#
gonna get there
E
today tomorrow and
B F#
forever we will stay true I promise you

2. They say that "we're just too young"
to know but I'm sure heart
and soul that I am
never letting you go
when its right its right
and this is it
cause I'm walking on air
every time that we kiss

You make the angel sing
you give those
song birds rings
you make everything better

R: I know I know...

	Asm	B
*	I'll never let you down	
		E
	I'll always hear you out	
		F#
	and there is nothing you can mount cause
