

Middle Of Nowhere

Selena Gomez & the Scene

Em **D**
1. You left me spinning like a disco
F
Trying but I don't know
F
If it can stand straight
Em **D**
You took me, left, when you knew I was right
Am **F**
And now I gotta fight just to make it through the day

Em **D**
I never knew what you were capable of
Am **F**
Baby, I would've kept my heart
Em
But I gave it up
D
Baby, I fell in love
F **G**
Now I don't know what it's done

G
R: It's so cold with nobody to hold me
D
You're so wrong leaving when you told me
Em **F**
You would never leave me by myself
Out in the middle of nowhere
G
Now I'm lost
D
Trying to make it on my own
I thought I could never do this,
Em **F**
Alone but now I'm walking by myself
G
Out in the middle of nowhere

2. You left me broken like a record
Baby, I'm hurt and I don't want to play anymore
Missed every sign
Believed ever lie, ohh
And I was waiting for more

I never knew what you were capable of
Baby, I would've kept my heart
But I gave it up
Baby, I fell in love
Now I don't know what it's done
R: It's so cold with nobody to hold me...

D **Em**
*: You took my heart off my sleeve
F
But now I'm taking it back, back
G

Baby, here I come

D **Em**

You took advantage of me

F

I don't appreciate that, that

Am

You son of a gun

R: It's so cold with nobody to hold me

You're so wrong leaving when you told me

You would never leave me by myself

Gm

Out in the middle of nowhere

R: It's so cold with nobody to hold me...

Gm

... Out in the middle of nowhere
