Headfirst

Selena Gomez

I'm stuck on the phone, every night
I'm losing sleep and when we hang up
you're in my dreams.
You're everywhere I go, or so it seems
And when I get around you,
I say stupid things and things that I don't mean.

Chorus
I'm falling head first over you (over you)
I'm falling head first over you
You're filling me up now, just like a balloon.
I'm slipping and I'm falling head first (head first),
over you.
(Head first, head first, head first)
I'm falling for you.

I need you boy give me a sign.
Show me the light cause I'm hanging on to every word you say,
and my cover's blown is that okay?
Cause I'm getting feelings that I just can't shake.
Do you feel the same way?

Chorus
I'm falling head first over you (over you)
I'm falling head first over you
You're filling me up now, just like a balloon.
I'm slipping and I'm falling head first (head first)

Bridge
I'm falling for you.
I'm falling for you, with the things that you do.
I'm falling for you (I'm falling, I'm falling)
I'm falling for you, with the things that you do.
(Head first, head first, head first, head first)
With the things that you do!

Chorus
I'm falling head first over you(over you)
I'm falling head first over you
You're filling me up now(?) just like a balloon.
I'm slipping and I'm falling head first.
I'm falling head first over you(over you)
I'm falling head first over you(you got me crazy)
You're filling me up now(?) just like a balloon.
I'm slipping and I'm falling baby!
I'm falling for you.
I'm falling for you.
I'm falling for you.
