

# My Dilemma 2.0

Selena Gomez

You make me so upset sometimes,  
I feel like I could lose my mind  
The conversation goes nowhere,  
Cause you're never gonna take me there

And I know what I know  
And I know you're not good for me  
Yeah I know what I know  
And I know it's not meant to be

Here's my dilemma  
One half of me wants ya  
And the other half wants to forget  
My dilemma from the moment I met ya  
I just can't get you out of my head  
And I tell myself to run from you  
But I found myself attracted to  
My dilemma  
My dilemma is you

You're eyes have told a thousand lies  
But I don't believe me when you look in mine  
I heard the rumors but you won't come clean  
I guess I'm hoping it's because of me

And I know what I know  
And I know you're not good for me  
Yeah I know what I know  
And I know it's not meant to be

Here's my dilemma  
One half of me wants ya  
And the other half wants to forget  
My dilemma from the moment I met ya  
I just can't get you out of my head  
And I tell myself to run from you  
But I found myself attracted to  
My dilemma  
My dilemma it's you

One day I want you, and then I don't  
I'm gonna leave you & then I won't  
I can't live live with our without ya  
I can't live live with our without ya  
Here's my dilemma

One half of me wants ya  
And the other half wants to forget  
My dilemma from the moment I met ya  
I just can't get you out of my head  
And I tell myself to run from you  
But I found myself attracted to  
My dilemma  
My dilemma it's you
