

Red Light

Selena Gomez

Baby, tell me that ya want me, want me
Baby, tell me that ya need me
'Cause ya know I'm onto ya
Keep it on the low
I'll be waiting for ya

Baby, come on let me show ya
Show ya what I can do
I can make it all come true
'Cause I'm onto ya
Keep it on the low
I'll be waiting for ya

Oh!... (Red Light)
We're dancing in the red light
I can do it all night
Oh!... (Red Light)
It's ur addiction
We don't need a reason

Closer
Keep on moving closer, closer
Hiding in the shadows of the corner
Oh I'm falling over ya
Oh I hope ya know
I'll be waiting for ya

Oh!... (Red Light)
We're dancing in the red light
I can do it all night
Oh!... (Red Light)
It's ur addiction
We don't need a reason
Oh!... (Red Light)
We're dancing in the red light
I can do it all night
Oh!... (Red Light)
It's ur addiction
We don't need a reason

Baby, u don't have to be alone
We can make it all alright
Collide tonight

Oh!... (Red Light)
We're dancing in the red light
I can do it all night
Oh!... (redlight)
It's ur addiction
We don't need a reason
Oh!... (Red Light)
We're dancing in the red light
I can do it all night
Oh!... (Red Light)
It's ur addiction
We don't need a reason
Oh!... (Red Light)

We're dancing in the red light
I can do it all night
Oh!... (Red Light)
It's ur addiction
We don't need a reason
Oh!... (Red Light)
We're dancing in the red light
I can do it all night
Oh!... (Red Light)
It's ur addiction
We don't need a reason
