

Sunset Blvd

Selena Gomez

You're my cherry pie
I don't care who knows it
Love me till I die
Bury me with roses
I know you're awfully shy
But I can't wait to hold it, to hold that
Big, big, hard heart!

With open arms
Holding you, naked
Middle of Sunset
Boulevard
Making you famous
Everyone's watching
Bare skin, concrete
They're calling the police
Open arms
Holding you, naked
Middle of Sunset

Feels so good, it hurts
But you fill up what's broken
Woman of few words
But for you, I keep my mouth wide open
Praying and hoping
That you quench my thirst
Not just dip your toes in, I want that
Big (big), big (big), hard (hard) heart!

With open arms
Holding you, naked
Middle of Sunset
Boulevard
Making you famous
Everyone's watching
Bare skin, concrete
They're calling the police
Open arms
Holding you, naked
Middle of Sunset

I just wanna touch it, touch it
Try your hardest not to bust it
Gimme, gimme, love it, love it
Hey, hey, hey

I just wanna touch it, touch it
Try your hardest not to bust it
Gimme, gimme, how I love your
Big, big heart!

With open arms
Holding you, naked
Middle of Sunset
Boulevard
Making you famous
Everyone's watching

Bare skin, concrete
They're calling the police
Open arms
Holding you, naked
Middle of Sunset
