A Million To One

Selena

A million to one, that's what our folks Think about this love of ours A million to one, they say that our love Will fade like yesterday's clouds

They're betting everything
That our love, won't survive
They're hoping in time
We'll forget each other's lives

A million to one, they say that We're too young to know the meaning of love A million to one, that they've forgotten The dreams that we're dreaming of

But we'll forgive them, because we love them After all that's said and done There's one in a million, a million to one

A million to one, they say that We're too young to know the meaning of love A million to one, that they've forgotten The dreams that we're dreaming of

But we'll forgive them, because we love them After all that's said and done There's one in a million, a million to one A million to one, a million to one
