

Call Me

Selena

I said a na na na na na na na na
Na na na na na na na na na na na na
I said a na na na na na na na na
Na na na na na na na na na na na na

You got me tossin' and a turnin'
Cryin' and a yearnin' for your love
You got me tossin' and a turnin'
Cryin' and a yearnin' for your love
Every night I sit and wait
For your call on the phone
Can't you see I feel depressed
And feel all alone
Call me, why don't you call me

You got me screamin' and a shoutin'
Hollerin' and a poutin' for your love
You got me screamin' and a shoutin'
Hollerin' and a poutin' for your love
Every night I sit and wait
For your call on the phone
Can't you see I feel depressed
And feel all alone
Call me, why don't you call me

Can't you see

You're the only guy for me
Even though you broke my heart in two
Sittin' 'round the phone
Waitin' for your call
Hopin' that the phone will ring
Call me

You got me screamin' and a shoutin'
Hollerin' and a poutin' for your love
You got me screamin' and a shoutin'
Hollerin' and a poutin' for your love
Every night I sit and wait
For your call on the phone
Can't you see I feel depressed
And feel all alone
Call me, why don't you call me

Can't you see
You're the only guy for me
Even though you broke my heart in two
Sittin' 'round the phone
Waitin' for your call
Hopin' that the phone will ring
Call me
