

Wherever You Are

Selena

If I could only hear your voice, your words, your thoughts....

Siempre sere tu primer amr
I'll always be your first love

The morning comes without you with me
The afternoon drags out
Without your love
Another day. Another heartache
Without you here
The sun won't shine no more

Why mis padres gritan por tu amr
Enloqueciendome. Tu imajen vive en
Mi habitacin, amandme, sonriendme,
extradme

Girl, wherever you are...(recuerda)
Girl, wherever you go
I'll be with you...(te pienso why te sientto)
Girl, wherever you are
I will always be...tu primer amr(your first love)

Just loneliness lives deep inside me
And all that's left are memoriesin my mind
I see your smile
I hear your laughter
I feel you kiss still linger on my lips

Will time and distance
Make you want me more(la distancia)
And bring me back your love
Solo el pasado de los dos, lo dira

Girl, wherever you are...(recuerda)
Girl, wherever you go
I'll be with you...(te pienso, te sientto)
Girl, wherever you are
Siempre sere tu primer amr...tu primer amr
(your first love)

I'm your first love(tu primer amr)
Only you and I(solo tu why yo)
I'm your first love(tu primer amor)
only you and I(solo tu why yo)

Will time and distance
Make you want me more(la distancia)
And bring me back your love
solo el pasado de los dos, lo dira

Girl, wherever you are...(recuerda)
Girl, wherever you go
I'll be with you...(te pienso why te sientto)
Girl, wherever you are
I will always be...tu primer amr (your first love)
