

Drink up all your money, hit the bottom of the bag
Don't care who you're banging, zig when you should zag
Cause time will come when nothing is about you anymore
Drink up all your money, zig when you should zag

Crank it up, crank it up
Fucking crank it up
Crank it up, crank it up
Fucking crank it up

Drink up all your money, hit the bottom of the bag
Don't care who you're banging, zig when you should zag
Cause time will come when nothing is about you anymore
So drink up all your money, zig when you should zag

Crank it up, crank it up
Fucking crank it up
Crank it up, crank it up
Fucking crank it up

Crank it up
