

# Eat Sleep Rock Repeat

## Self Deception

Let's Go

Been playing this game for such a long time, dear (Long time, dear)  
You're every young boys mother's worst nightmare  
You got the body of a goddess, love (Goddess, love)  
The kind of body that we all dream of (All dream of)

She's got her daddy's money, money (Oh)  
Her daddy's money, money (Oh)

Dear diary  
Life is fucking sweet  
Cause I eat and I sleep and I rock and repeat  
It's all I need  
Dear diary  
I'm addicted to the beat  
I eat and I sleep and I rock and repeat  
No mercy

That pretty face is always turning heads  
You have your twisted ways when you're jumping beds  
You got the body of a goddess, love (Goddess, love)  
The kind of body that we all dream of (All dream of)

The only thing that will save this night  
Is the brightness of the night club lights

Dear diary  
Life is fucking sweet  
Cause I eat and I sleep and I rock and repeat  
It's all I need  
Dear diary  
I'm addicted to the beat  
I eat and I sleep and I rock and repeat  
No mercy

Eat, sleep, rock, repeat  
Eat, sleep, rock

She's got her daddy's money, money (Oh)  
Her daddy's money, money (Oh)  
Daddy's money, money (Oh)  
Her daddy's money, money (Oh)

Dear diary  
Life is fucking sweet  
Cause I eat and I sleep and I rock and repeat  
It's all I need  
Dear diary  
I'm addicted to the beat  
I eat and I sleep and I rock and repeat  
Eat, sleep, rock, repeat
