

Hysteria

Self Deception

I will tell the world like they're waiting
For the curtains are to rise now
Yeah I will tell the world like they're waiting
The newest chapter of my life's out

VIPs living life in a bubble
See the dream, all you need
What to buy, what to eat
Yeah we make you believe we are royal

Hysteria, hysteria, digital royalty
Hysteria, hysteria, sell it on every screen
If you can fake it, you can make it
The 21st century world wide mass
Hysteria, hysteria, now trending

Take as many takes as it takes to
Look authentic, make it stand out
Get everything on tape, who's the real you?
That's for editing to sort out
