

## My Lithium

### Self Deception

Don't cry to me, if you loved me  
You would be here with me  
You want me, come find me  
Make up your mind

Should have let you fall and lose it all  
So maybe you can remember yourself  
Can't keep believing, we're only deceiving ourselves  
And I'm sick of the lie and you're too late

Don't cry to me, if you loved me  
You would be here with me  
You want me, come find me  
Make up your mind

Couldn't take the blame, sick with shame  
Must be exhausting to lose your own game  
Selfishly hated, no wonder you're jaded  
You can't play the victim this time and you're too late

Don't cry to me, if you loved me  
You would be here with me  
You want me, come find me  
Make up your mind

You never call me when you're sober  
You only want it 'cause it's over, it's over  
How could I have burned paradise?  
How could I? You were never mine

So don't cry to me, if you loved me  
You would be here with me  
Don't lie to me, just get your things  
I've made up your mind
