

# Big Man

## Self Esteem

I like to show up  
Won't make it 'bout me but I  
Like recognition  
But that's a given  
But I  
Just need it from her  
I get that later  
You know  
It's not so hard to  
Sit back and let that girl go!

Look how she's shining  
While I'm just vibing  
I'm keeping secure  
Champion fighter  
Communicating

Yeah I'm amazing  
I stand beside her  
Feeling ten feet tall

'Cause I'm a big man  
I'm a big man  
I'm a big man  
I'm a fucking big man, what are you?

'Cause I'm a big man  
I'm a big man  
I'm a big man  
I'm a fucking big man, what are you?

I love bad bitches  
That leave me all in stitches  
I wash the dishes  
'Cause she be slaying dragons

I don't get bitter  
She loves me  
And she's sweeter  
I rub her shoulder  
'Cause she be carrying so much  
I'm still a big man  
My bitch will be supported  
I'm not a coward  
Mission won't be aborted  
I'm standing by her  
I love her now and always  
I feel her power  
And I will run the kitchen

'Cause I'm a big man  
I'm a big man  
I'm a big man  
I'm a fucking big man, what are you?

'Cause I'm a big man  
I'm a big man

I'm a big man  
I'm a fucking big man, what are you?  
Boss  
We keep it low key  
That's how she like it  
And in the morning  
She leaves me panting  
I leave her hanging  
Because I'm thinking  
Of how to answer  
Because what? I'm listening

Yeah it's the real thing  
Haha, no I'm just kidding  
But it is something  
Which I'm respecting

And she is working  
So I'm collecting  
Yeah, I'm receiving  
The shit she's been buying

That's my lady, that's my baby  
That's my girl  
She be running the company  
And the world  
I appreciate her hustle  
'Cause I'm whole  
I am humble  
I am great, it's me she chose  
She be looking sexy in her pantyhose  
She be savage  
She be bringing bacon home  
Showing off my love  
For her is when I roast  
I am not her maid  
I just feel I'm secure

'Cause I'm a big man  
I'm a big man  
I'm a big man  
I'm a fucking big man, what are you?

'Cause I'm a big man
