

Sexting you at the mental health talk seems counterproductive
Drinking a bottle instead of a glass is me, I'm a classic
The simplicity of me leaning back, so you see my waist flex
Is a signature move
Don't think it's for you, it's part of the process

And while figure out what it is that you are made of
I'll move on in a moment
And I don't mean to
This has got nothing to do with you
It's always been my problem, my problem

Oh, M-O-O-D-Y
You know I-I-I'll be moody for life
M-O-O-D-Y
You know I-I-I'll be moody for life

Many have tried to bottle and screw you into tick boxes
We're looking across rooms admiring the view
We know we're attractive
There's nothing else to do
Yet every night spent this way is destructive
Inevitable truth of accepting you is what the next task is

And while figure out what it is that you are made of
I'll move on in a moment
And I don't mean to
This has got nothing to do with you
It's always been my problem, my problem

Oh, M-O-O-D-Y
You know I-I-I'll be moody for life
M-O-O-D-Y
You know I-I-I'll be moody for life

M (M) -O (O) -O (O-D-Y)
You (You) know (Know) why
M (M) -O (O) -O (O-D-Y)
You (You) know (Know) why

M-O-O-D-Y
You know I-I-
I'll be moody for life (It's up to you if you want to try)
M-O-O-D-Y
You know I-I-
I'll be moody for life (It's up to you if you want to try)
M-O-O-D-Y
You know I-I-
I'll be moody for life (It's up to you if you want to try)
M-O-O-D-Y
You know I-I-I'll be moody for life (It's up to you if you want to)
