## Self Esteem

I got one more in me  
I got one more in me  
I get your messages and I erase them promptly

Oh you not being with me is pure agony  
My baby  
My little baby  
Oh babe you shouldn't have  
Oh wait you didn't do  
My baby  
Not my baby

Oh what I might have achieved  
What I might have achieved  
If I wasn't trying to please  
If I wasn't trying to please  
What I might have achieved  
What I might have achieved  
If I wasn't trying to please  
If I wasn't trying to please you

Oh what will happen to me  
Now there's nobody left to be keeping me clean?  
I haven't been behaving  
And they'll be talking 'bout me  
Saying I'm feeling happy and free  
But truth be I'm scared  
I can't believe you've left

Oh what I might have achieved  
What I might have achieved  
If I wasn't trying to please  
If I wasn't trying to please  
What I might have achieved  
What I might have achieved  
If I wasn't trying to please  
If I wasn't trying to please you

And so, to all the queue who want to be with me  
You love the beating in my body but that's why you leave  
So I'll orbit you and you can orbit me  
And we can have a few more mornings till we lose gravity

I got one more in me  
I got one more in me  
I get your messages and I erase them promptly

Oh what I might have achieved  
What I might have achieved  
If I wasn't trying to please  
If I wasn't trying to please  
What I might have achieved  
What I might have achieved  
If I wasn't trying to please  
If I wasn't trying to please you

What am I?

What am I?  
What am I now?  
What am I?  
What am I?  
What am I now?  
What am I?  
What am I?  
What am I now?  
What am I?  
What am I?  
What am I now?
