Shouts my narco ho's, shouts out Juggalos
I got an AK-47, it's solid gold
Sunset burnin' down, I will never fold
I got an AK-47, it's solid gold

Virgin Mary, Guadeloupe, I'm on Fury Road
Say your prayers, save yourself, God only knows
Bloody horns, bright red, you already know
RedBull, fallen angels at the Arco
In my Truey jeans, walkin' with my shadow
I don't listen to no dumb fuck, stupid talkin' ho's
I been workin' hard, I'm gon' buy some guns
John Doe, Federales get fuckin' blown

Shouts my narco hoes, shouts out Juggalos
I got an AK-47, it's solid gold
Sunset burning down, I will never fold
I got an AK-47, it's solid gold

On Fury Road, lookin' at the sunset
Oh, I couldn't really feel nothin'
If they try me, I'ma fucking kill 'em
World's burning, I'ma buy an AK
On Fury Road, lookin' at the sunset
And I couldn't really feel nothin'
If they try me, I'ma fucking kill 'em, aaahhh

Shouts my narco ho's, shouts out Juggalos
